

This is a Factsheet about general complaints against schools.

The Authority does not have a statutory role in resolving complaints about schools as that responsibility rests with Head Teacher and Governing Body of the school.

Therefore the Authority **cannot consider** complaints about any action taken by a school or its Governing Body in relation to the giving of instruction, conduct, curriculum, internal organisation, management or discipline.

Each school is required to have a Complaints Policy. You are entitled to request a copy and follow the guidelines provided if you need to make a complaint.

School complaints should be made direct to the Head Teacher of the school concerned, or its Chair of Governors. Contact details can be found on the following website:
