

Naming or Name Change: Existing Properties

The Council can arrange for property name changes, or a name to be added to a property, which has a number only. (Please note you **cannot** replace a number with a name)

Please note that you must be the Registered Title holder of the property or must obtain authorisation from the Registered Title holder before applying for naming or numbering of the above property. Without the correct authority your application may be rejected.

You should complete the form overleaf and return it to the address below, with a payment of £25. Cheques should be made payable to "Carmarthenshire County Council".

We will consult with the Royal Mail, as in some cases there may be a property in the near vicinity with the same or similar name. In this case, the Royal Mail will suggest that the applicant makes another choice to avoid future confusion. Should this occur, we will contact you, requesting that you suggest another name for your property.

We will confirm in writing your new address within 20 working days following receipt of your application.

Finally we will notify the following Authorities, agencies and Council departments:

- British Gas
- BT
- Community/Town Council
- Council Tax
- Dyfed Powys Police Headquarters
- Electoral Registration
- Land Registry
- Mid and West Wales Fire Authority
- Ordnance Survey
- Royal Mail
- Welsh Ambulance Service NHS Trust (Central and West Region)
- Welsh Water
- Western Power Distribution

within 5 working days of confirmation of your new address.

The above list includes all the major companies; if you are with a private company (e.g. NTL for telephone services) it would be up to you notify them yourselves.
