

Dragon Sport and Amman Valley School Festival

A Dragon Sport Summer Festival in Carmarthenshire has been hailed a huge success! Primary Schools from the Amman Valley area were invited to attend the event held at Amman Valley School on Thursday 8th July.

Over 200 children from local primary schools took part in a variety of Dragon Sport activities including Athletics, Cricket, Golf and Tennis coached by 6th form students from the secondary school.

The festival, organised by Dragon Sport in partnership with Amman Valley School, is a result of an annual Secondary School project. As part of the project, students are required to volunteer for a minimum of 6 hours at local primary Dragon Sport after-school clubs and deliver a festival for all the local schools in order to gain their certificate.

Phil Williams, PE Teacher at Amman Valley School said “This project is a great opportunity for the students to gain experience in coaching as part of their personal development and also strengthens the links that we have with the feeder-primary schools.”
