

CARMARTHENSHERE LOCAL ACCESS FORUM

Criteria for Selection

The following is a list of criteria against which applications will be judged. However, applicants will not necessarily have to comply with all of the criteria to be successful.

It is essential that a LAF member will:

- be committed to the work of the Forum:

the function of the Forum is to advise the local authority, the Countryside Council for Wales and others on the improvement of public access to land in the area for the purposes of open-air recreation and enjoyment.
- be willing and able to play a full and constructive part in all aspects of a LAF's work – persons who are only willing or able to represent a narrow specific interest may not be suitable members.

It is desirable that a LAF member will:

- have knowledge and experience of countryside access issues particularly in Carmarthenshire
- have good communication and inter-personal skills.
- have experience of dealing with and discussing strategic and policy issues.
- have enthusiasm for improving access in the countryside.
- be willing to commit to attending the quarterly Forum meetings.

These are unpaid positions but Forum members will be able to claim reasonable expenses. If you wish to apply, please complete the application form and return it to:
